Milo's Little Blue Jar Kit

Make your very own saving jar, just like Milo's!

You will need: a clean jar with a lid (any size) · scissors · tape or a glue stick · crayons or markers · a grown-up helper

1. **Color and cut out** your jar label and a pair of fox ears.
2. **Stick the label** on the front of your jar.
3. **Fold the ear tabs** and tape the ears on top of the lid.
4. **Ask a grown-up** to help make a coin slot in the lid (or just lift the lid each time).
5. **Pick something to save for** and draw it on your coin tracker. Every time a coin goes in, color a circle. *Clink!*
